To all at Benefit Mankind,

I would like to thank you for your donation of £1500 to our charity. Financial donations are extremely welcome especially in these times of funding cuts and efficiency savings, without people such as yourself we would struggle to continue to give our families the invaluable service we provide.

As you are aware, at Fortalice, we provide frontline services for woman, young people and children affected by domestic abuse. This includes 22 self-contained flats in the Refuge, accommodating 22 women with a capacity for up to 70 children. Additional services at the Outreach Support Centre include 19 projects, which supported approximately 2,200 individuals across Bolton last year. Your generosity will help us to carry on providing for the families here, who are at a difficult time in their lives.

Recently, a resident said as she was leaving the Refuge "The service has given me time to think and plan for my future. It has given me more confidence to know that I can manage on my own and live independently. More than anything, when I was feeling low, staff always helped me to see the positive side and gave me strength and hope. I could not have done it without them"

Please accept our best wishes from all at Fortalice and thank you for your continued support.

Yours sincerely

Dr.(h.c.) Gill Smallwood MBE
